Customization is the
cornerstone of our lighting
program

Mcilvaine Contract has done lighting projects ranging from full guestroom projects to large scale public areas. We offer unlimited custom capabilities for any type of project large or small.

Turnaround time for pricing is three days typically.

Production leadtimes are eight weeks

Shop drawings are done in 7-10 days

On most projects designers select a look and ask us to change the dimensions or do a special finish and that is where we deliver a well priced solution. Inquire about our finishes portfolios.
